

# Friends in the Lord—On the Web

We are pleased to announce that the New England Province of Jesuits' website, [www.sjnen.org](http://www.sjnen.org), was honored with an Award of Excellence in the faith-based category by the Web Marketing Association. Entries were judged by independent experts on design, copy writing, innovation, content, interactivity, navigation and use of technology. We hope you will visit, explore and enjoy our online presence. We designed it for you — to stay connected with and support the Jesuit mission; provide networking, linking, programming and event information; and create a source where you can learn more about the Jesuit mission and ministries. We look forward to hearing your suggestions. Please contact Alice Poltorick, director of communications, [apoltorick@sjnen.org](mailto:apoltorick@sjnen.org)
